BITCOIN: THE ULTIMATE GUIDE FROM BEGINNER TO EXPERT: BITCOIN AND CRYPTOCURRENCY (PAPERBACK)

[DOWNLOAD PDF](#)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Description The first-ever Bitcoin transaction established a baseline price for the currency of around 2 cents per Bitcoin. As of August 2017, each Bitcoin is worth more than \$4,000 and still climbing. Those who got in early were able to reap the multi-million-dollar benefits, but that doesn't mean the door is closed on making a profit from Bitcoin. If you are looking for a way to capitalize on this emerging market then, Bitcoin: The Ultimate Guide from Beginner to Expert: Bitcoin and Cryptocurrency Technologies, Mining, Investing, and Trading is the book you have been waiting for. Bitcoin is still a long way from penetrating the mainstream with only about 25 percent of Americans being able to accurately describe what a Bitcoin is and only about 2 percent using them on a regular basis. This means that there is still a profit to be made by those who get in while the getting is good. Inside, you will learn to do just that by learning the basics behind just what cryptocurrency in general, and Bitcoin specifically, is, how it works and, more importantly, how you can put it to work for you. So, what are you waiting for? Don't let the price of Bitcoin jump another \$1,000, take control of your financial future and buy this book today!.
